

LAWN FEED & WEED PLUS MOSSKILLER FOR LAWNS AND FINE TURF

INSTRUCTIONS FOR USE

An organic-based fertilizer for the treatment of lawns and fine turf. Controls many broad-leaved weeds and moss.

WHERE TO USE

- Apply on a still day, 3 days after mowing. Leave 4 days before re-cutting.
- Mark out areas to be treated and apply evenly at 35 g per m² (1 oz per square yard) in early spring and again in June or July. If rain does not fall within 48 hours, water in thoroughly. Do not use during drought or freezing conditions, or if rain is imminent.
- Do not allow to contact the foliage of neighbouring vegetation.
- Do not use the first three mowing for mulching until composted for at least six months.
- Do not use on newly-sown lawns or turf until they have been established for 12 months.

HOW TO USE

- Apply when the weeds are actively growing and the soil is moist. The most suitable method of application is with a mechanical granular applicator properly calibrated with the correct dosage rate. Rake vigorously after two weeks to remove dead moss.
- If stubborn weeds persist, re-apply six weeks later. Re-treatment may be necessary for heavy moss infestation or if moss returns.
- Sweep up any spillage on paths or paved areas to prevent staining.
- Avoid walking on treated areas until it has rained or they have been watered.

NOTE: There may be temporary darkening or blackening of the turf.

ANALYSIS

Compound Fertilizer 10 – 4 – 4 with 3.5% Fe

Total Nitrogen (N)	10.0%
Total Phosphorus, as Pentoxide (P ₂ O ₅)	4.0% (1.74% P)
Phosphorous, soluble in ammonium nitrate	4.0% (1.74% P)
Potassium Oxide (K ₂ O)	4.0%
Iron (Fe)	3.5%

STORE IN A COOL, DRY PLACE PROTECTED FROM FROST

FOR USE ONLY AS A HOME GARDEN LAWN TREATMENT

Contains mecoprop-P (0.28%), 2,4-D (0.28%) and ferrous sulphate (3.5% as Fe)

TO AVOID RISKS TO HUMANS AND THE ENVIRONMENT, COMPLY WITH THE INSTRUCTIONS FOR USE.

SAFETY INSTRUCTIONS

Protection During/In Use

- WASH HANDS AND EXPOSED SKIN AFTER USE.

Environmental Protection

- HARMFUL TO FISH AND OTHER AQUATIC LIFE.
- Do not contaminate ponds or streams. Do not empty into drains.
- Do not contaminate water with the product or its bag.

Storage and Disposal

- KEEP AWAY FROM CHILDREN AND PETS.
- KEEP IN BAG, tightly closed in a safe place.
- Dispose of unused product in its bag at a household waste site (civic amenity site).
- Dispose of empty bag in the dustbin.
